

Please accept this comment as a petition for your understanding in a very important matter. I received word of this proceeding and was deeply troubled. I urge you to not do anything that would potentially make such an encouraging station as K-LOVE unavailable in the areas that currently enjoy its broadcast. K-LOVE is a family friendly station and it means a lot to my family as well as many other families. Please understand that allowing K-LOVE to be taken off the air would be doing a great disservice to many families and individuals that deeply need that kind of encouragement daily. I thank you for your time and trust that you will make the decision that is best for the families of America.
